

JOHN CHIANG
California State Controller

September 26, 2013

TO: COUNTY AUDITOR-CONTROLLER

SUBJECT: 2013-14 FISCAL YEAR PROPERTY TAX LOSS REIMBURSEMENT CLAIM

The Budget Act, Chapter 21, Statutes of 2013, includes an appropriation (Item 9100-101-0001) for reimbursement of revenue lost by reason of the homeowners' property tax exemption granted, pursuant to subdivision (k) of section 3 of Article XIII of the California Constitution.

Enclosed are instructions for the homeowners' property tax relief program and a sample of the claim form to be used in filing for a reimbursement.

Since both the State Constitution and the Government Code prevent the State Controller's Office from making any disbursements from the State Treasury unless there is a specific appropriation from which the payment can be made, any additional loss of tax revenue that may have resulted from the enactment of legislation or a Constitutional amendment other than that included in the enclosed instructions, cannot be reimbursed by this office.

If you have any questions, please contact John Bodolay, Division of Accounting and Reporting at (916) 323-2154. A copy of this letter and claiming instructions can be located on the State Controller's Website at www.sco.ca.gov/ard_payments_homeown_fy1314.html.
